Russian Language Education and Teaching Center in the Republic of Madagascar and the Republic of Seychelles begins an important event in the pedagogical community on October 25, 2024: a scientific and educational session on the topic "Conditions for realizing the potential of the language environment in teaching and learning Russian as a foreign language."

The event is organized by the Federal State budgetary educational institution of higher education "Shadrinsk State Pedagogical University" within the framework of the project implemented by the Foundation for the Support of the Humanities "My History", with the support of the Ministry of Education of the Russian Federation.

The beginning of the event

in the Republic of Seychelles:

October 25, 2024 at 09.00 (the site of the Central Library on the basis of the National Library, Victoria, conference hall).

in the Republic of Madagascar:

October 25, 2024 at 10.00 (COE at the University of Antananarivo, Antananarivo, room 253).

You are welcome!
